## **INTRODUCTION:**

We are a leading distributor of medical, scientific and laboratory equipment, consumables and disposables. Our selections of brand name products from leading domestic and international suppliers are sure to be your No. 1 choice, which leads us to expand in UK. We possess the trained and qualified personnel, which provides their customers the guaranteed competence in product-comprehensive solutions. Our vendor management is strong enough to assure you the most competitive pricing structure in existence today.

## **Mission Statement**

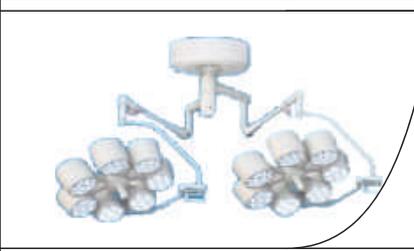

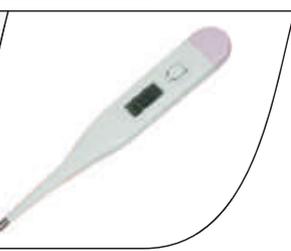

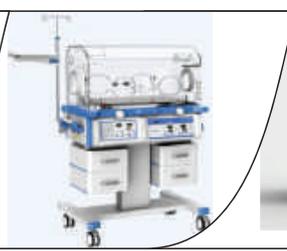

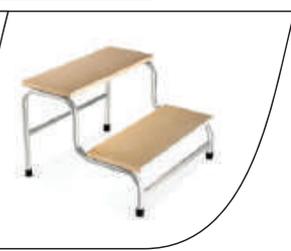

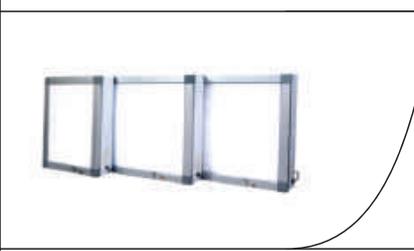

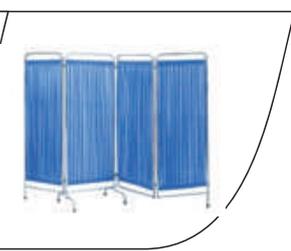

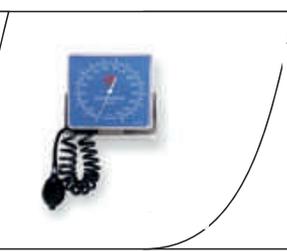

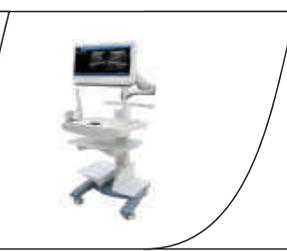

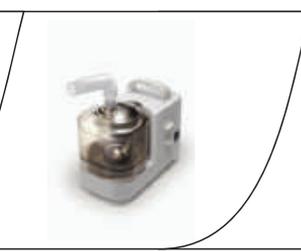

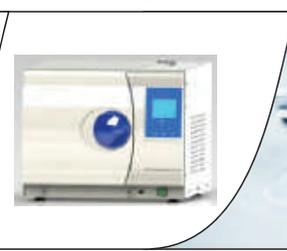

PURE CARE will provide our customers with compassionate care, quality equipment, and exceptional customer service.

## **Vision Statement**

To be the most respected provider of Medical and Laboratory equipment and services by maintaining the utmost quality and professionalism.

## PURE SERVICES (REPAIR & MAINTENANCE)

Choosing to Work with PURE CARE Laboratory & Biomedical Repair & Services.

Reduce Maintenance Costs, Improve Response Times and Increase Equipment Reliability with PURE CARE Services!

PURE CARE's sole mission is to serve healthcare facilities and research laboratories whose administrators, physicians and researchers depend on the constant performance and accuracy of sophisticated analytical, sample preparatory, patient care diagnostic, therapeutic and monitoring equipment.

We recognize that your lab and medical equipment maintenance needs can change almost daily.

That's why we're flexible – constantly monitoring your requirements closely and adjusting our resources to meet your needs.

At PURE CARE

We pledge to provide distinctive quality and unparalleled customer service for all your laboratory and biomedical equipment.
