

Company Profile

Medical and Scientific Supplies

Hakimi Trading Co. LLC
Dubai, UAE

About Us

Hakimi is paving the way in medical technology through innovative life-saving solutions for healthcare treatments in affiliation with premium suppliers in the international market.

We are the distributors of a wide range of certified medical and scientific supplies such as Laboratory Glassware, Disposables, and Diagnostic and Laboratory Equipment for research and production facilities, serving the Pharmaceutical, Biotechnology, Industrial, Educational, Government, and Healthcare sectors across the world.

We believe in continuously improving our supply chain by providing our clients the latest products.

Mission

Provide the accessibility of an extensive spectrum of medical technology with the appropriate value proposition.

Vision

To be the relied-upon supplier of medical and scientific supplies in GCC, MENA, and the rest of the world.

Values

Integrity - Working with transparency and building trust with all internal and external stakeholders.

Excellence - Delivering high standards of customer service accompanied by a wide range of products.

Innovation - Maintaining the progression of medical technology to support the valuable pursuit of healthcare.
