Recycled Paper Pencils

Go Green Keep The World Green

Brief About Products:-

These Pencils Are Completely Made Up Of Recycled Waste Paper & Newspaper. Generally Pencils Made Up Of Wood And Polymer Material Which Is Very Harmful For Environment, But We Make Pencils Which Is Made Up Of Local Waste Newspaper. In This Pencil, You Will Get Straight Lead No Breakage Between The Pencils While Sharpening And Its Non-breakable Quality Is Very Strong More Then Wooden Pencils.

In These Pencils You Will Get Seeds In Caps At The End Of The Pencils,while The Pencil Becomes Small You Don't Have To Throw It Just Pot It As Per Instructions Given On The Box. After Few Days You Will See That It Grows Into A Plant.

As We All Know That We Can't Change The Complete Environment System But At Least We Can Contribute A Small Part To Save The Nature.

Use Eco Friendly Pencils And Pens
